**By Edward Rietman : Exploring the Geometry of Nature: Computer Modeling of Chaos, Fractals, Cellular Automata, and Neural Networks (Advanced Programming Technology)** abebooks exploring the geometry of nature computer modeling of chaos fractals cellular automata and neural networks advanced programming technology get this from a library exploring the geometry of nature computer modeling of chaos fractals cellular automata and neural networks ed rietman Exploring the Geometry of Nature: Computer Modeling of Chaos, Fractals, Cellular Automata, and Neural Networks (Advanced Programming Technology):

The science of chaos attracts the attention of researchers in many disciplines The idea by following simple principles of randomness and disorder patterns emerge Here users on their own PC s can construct mathematical models

duplicating processes found in nature
