0 of 0 review helpful Excellent By Robin This book is AWESOME It s not bound on the side like a traditional textbook but rather bound across the top like a notepad It also has a built in cardboard stand so that it stands up by itself This makes it super convenient for doing homework It takes up less space on the desk and when you need to turn

the page you just flip it over the top It took me a bit to figure out wh INTEGRATED COMPUTER APPLICATIONS 6E challenges users to combine all of the tools of Microsoft Office 2010 plus Web computing to create relevant workplace solutions Real world projects plus an easy to learn format integrate newly learned skills and apply it in meaningful applications just as employees in industry are required to do Module I BUSINESS DOCUMENTS WITH WORD Essentials Lesson 1 Block Letters Lesson 2 Memos Lesson 3 Multiple Page Documents Lesson 4 Tables Lesson 5 Unbound Reports with Track Changes Lesson 6 Left bound Reports with Cover Pages Project 1 Creative D
