Technician Virtual Lab (ICND1 Exam 640-822):

2 of 2 review helpful Support problem By R D The product was shipped without a product license which is no big deal I called customer service who got in contact with developer support to generate the product license Sounds like a simple procedure evidently not after 7 days they ve not been able to generate the product key nor have they been able to give any ETA as to when this could be accomplished I would say b Gain the hands on experience you need without spending thousands on Cisco hardware Candidates for the Cisco Certified Entry Network Technician CCENT certification need actual hands on practice with routers and switches This special software package provides almost 100 labs to help you master Cisco networks and is the perfect study partner to Sybex s CCENT Cisco Certified Entry Networking Technician Study Guide 2nd Edition Practice scenarios From the Back Cover Work with Practice Scenarios Based on CCENT and ICND1 Exam 640 822 Objectives Set Up Custom Network Configurations Easily with Drag and Drop Functionality Hone Your Skills for the Exam with Almost 100 Hands On Labs
