1 of 1 review helpful I like the structure and the chosen scope By Sven Ringling I received this book free from SAP

PRESS as part of their book review program I was not required to write a positive review and the opinions I've expressed are my own I got this book at exactly the right time It helped me to understand not only the main stream SAP options for integration but also some approaches off the beaten Whether you're making the jump to SAP SuccessFactors all at once or in parts explore your deployment options and how to integrate this cloud based functionality into your HR landscape Learn to apply prepackaged or planned integration scenarios and walk through case studies that model the use of templates and APIs With SAP SuccessFactors the question isn't what to aim for it's how to get there Integrate SAP SuccessFactors with SAP ERP SAP ERP HCM and their About the Author Venki Krishnamoorthy is a functional consultant who delivers end to end SuccessFactors based cloud HCM solutions across all deployment models Venki has done over 18 full lifecycle implementations of SAP Employee Central SuccessFactors Recruit
