**By David Hucaby, Steve McQuerry, Andrew Whitaker : Cisco Router Configuration Handbook (2nd Edition) (Networking Technology)** cisco router configuration handbook 2nd edition edition 2nd; book virtual private networks vpns appendix a cisco ios software release and filename abebooks cisco router configuration handbook 2nd edition networking technology 9781587141164 by david hucaby; steve mcquerry; andrew whitaker and Cisco Router Configuration Handbook (2nd Edition) (Networking Technology):

9 of 9 review helpful lots of information but many chapters are very dated By Customer I bought this book with the

hopes that it would cover the latest versions of Cisco IOS and the latest generation of the ISR ISRG2 routers 2900 and 3900 Well I can t say how disappointed I am in my initial review of the book I am a voice engineer and the UC section and the initial hardware overview section have not been Fast answers and reliable solutions for all widely used Cisco router features all in one time saving guide nbsp Organized for maximum efficiency describes actual commands and options in the sequence they should be used Helps network pros eliminate time consuming documentation searches Extensive updates IPv6 MPLS AutoQoS SIP MGCP voice troubleshooting VPNs security and more From the Back Cover Fast answers and reliable solutions for all widely used Cisco router features all in one time saving guide Organized for maximum efficiency describes actual commands and options in the sequence they should be used Helps network pro
