By Mark Dye, Rick McDonald, Antoon Rufi : Network Fundamentals: CCNA Exploration Companion Guide (Cisco Networking Academy) network fundamentals ccna exploration companion guide cisco networking academy mark dye rick mcdonald antoon rufi buy network fundamentals ccna exploration companion guide cisco networking academy program 1st revised edition by mark dye rick mcdonald antoon rufi isbn Network Fundamentals: CCNA Exploration Companion Guide (Cisco Networking Academy):

5 of 5 review helpful Excellent networking introduction a must have By Theophilos I bought this book for a Cisco Academy class It is a textbook so it goes deeper into technical aspects of CCNA level networking than the well known CCNA CCENT exam preparation books such as Odom s or Lamml e s This is the first of 4 books published by Cisco for the Cisco Academy curriculum and is the most current version Th Each new purchase of an Exploration

Companion guide comes with an exclusive coupon code that can be used to Save 65 on these two additional study resources
1 CCENT 640 822 Network Simulator Software Download www.ciscopress.com title 1587202174
2 Network Fundamentals Companion Guide eBook www.ciscopress.com About the Author Mark A Dyewas the technology manager and training manager for the Bevill Center at Gadsden State Community College where he also managed and taught in the Cisco Academy program He now works full time as an assessor
