handbook of research on global diffusion of broadband data transmission Handbook of Research on Global Diffusion  
of Broadband Data Transmission:

Large investments have been made by various governments for the deployment of broadband within their respective  
nations however the citizens of such countries have demonstrated a slow adoption of this technology The Handbook of  
Research on Global Diffusion of Broadband Data Transmission explores broadband adoption and the digital divide  
through a global perspective providing up to date research on constructs such as relative advantage utilitarian  
outcomes About the Author Yogesh Kumar Dwivedi is a lecturer in information systems at the School of Business and  
Economics University of Wales Swansea UK He obtained his PhD entitled Investigating consumer adoption usage and  
impact of broadband UK household
