By Deze Zeng, Lin Gu, Song Guo : Cloud Networking for Big Data (Wireless Networks) big data caching for networking moving from cloud to edge in the wireless world big data brings about a managing this big data driven networks in cloud cloud networking for big data wireless networks deze zeng lin gu song guo on amazon free shipping on qualifying offers this book introduces two basic Cloud Networking for Big Data (Wireless Networks):

This book introduces two basic big data processing paradigms for batch data and streaming data. Representative programming frameworks are also presented as well as software defined networking SDN and network function virtualization NFV technologies as key cloud networking technologies. The authors illustrate that SDN and NFV can be applied to benefit the big data processing by proposing a cloud networking framework. Based on the framework two case s
