**From Eduardo Sanchez : Towards Evolvable Hardware: The Evolutionary Engineering Approach (Lecture Notes in Computer Science)** volume 1468 of lecture notes in computer science in towards evolvable hardware the evolutionary engineering approach volume 1062 of lecture buy towards evolvable hardware the evolutionary engineering approach lecture notes in computer science by eduardo sanchez marco tomassini isbn 9783540610939 Towards Evolvable Hardware: The Evolutionary Engineering Approach (Lecture Notes in Computer Science):

Evolutionary computing inspired by the biological world is one of the emergent technologies of our time Being essentially a software activity it has been successfully applied e g for optimization and machine learning in various areas The tremendous increase in computational power and more recently the appearance of a new generation of programmable logic devices allow for a new approach to designing computing machines inspired by biological models it is now poss
