Tanenbaum:

0 of 0 review helpful Classic No TCP IP in a Networking book For REAL By rpv I am fascinated with Computer Networks Can you find a book which does not have much about TCP or IP in modern world Well the first edition of the classic Tanenbaum book has no reference or very little to IP and very little on TCP Because this was written in 1980 and published in 1981 I got this as a collectible and it was in like new concept Computer Networks 3rd edition Third Edition by Andrew S Tanenbaum View amazon detail page ASIN B0048FLVNS
